KINGS HILL GOLF CLUB

Kings Hill, West Malling, Kent

Kings Hill Golf Club has been designed by Course Architect David Williams, to be a demanding and enjoyable challenge for all standards of golfer. Set in over 200 acres of undulating terrain, it features large areas of protected heath and mature woodland. The 6,600 yard, par 72 golf course, has been built to the highest specification with USGA standard greens and tees. Practice facilities are superb with a full length practice range, a short game practice area and putting green.

Facilities off the course are second to none, with a light and airy colonial style Clubhouse and superb views over the golf course, where members, guests and visitors can enjoy the relaxed and comfortable club atmosphere. The Kings Hill Golf Shop displays the very best in golf equipment where you will be greeted and looked after by friendly professional staff. Our new teaching Academy is fully equipped with the latest in golf teaching technology.

The quality of the course and the excellent facilities have increased the demand for membership at Kings Hill, although various categories of individual and corporate memberships are still available. The golf club regularly host County and Inter County events for both the mens and ladies golf unions.

Why not try Kings Hill Golf Club, it is a perfect location for playing a round of golf and entertaining clients, situated just two miles from junction 4 of the M20 in the heart of Kent.
